Some of the senior crafters have made mistake..

If the truth comes out those they care about most may never forgive them. Valerie Rankin and the other crafters close ranks to protect them, but one lie leads to another, and before they all know it someone is dead.

What happens next? Should Valerie and the crafters confess all they've done? Make themselves suspects and let the killer go free?

Or should they hold onto their secrets a little while longer and catch the killer themselves? The answer is clear. The creativity made this mess is all the crafters have to get themselves out of it.

6 STEPS TO START A BOOK CLUB

Running a book club in your shop can be an excellent way to engage with your community, boost customer loyalty, and create a unique atmosphere in your store. Book clubs provide numerous benefits, from increased foot traffic to fostering a sense of belonging among patrons. If you're considering starting one, here are six steps to help you run a successful book club in your shop.

1. Choose a quilting cozy or crafty mystery series

Select a series tailored to your shop's offerings, your customers' interests, or even the time of year. Whether it's a cozy mystery from Barbara Emodi's Gasper's Cove Mysteries or a quilting cozy from Ann Hazelwood's Door County Quilts, or Carol Dean Jones' A Quilting Cozy, having a theme attracts like-minded readers and ensures a more enjoyable experience.

2. Create a reading list

Based on the selected series, create a reading list that doubles as a shopping list for those interested in joining. Be sure to promote the book club well before meetups begin. You can also see this step as a merchandising opportunity; offer bundles of books and stationery (for note-taking!) that match the book club theme.

3. Set a Regular Meeting Schedule

Consistency is key. Choose a meeting schedule that suits your customers and your shop's operations. It could be monthly, bi-monthly, or quarterly. Promote these dates well in advance so readers can plan to attend. This is also great for building store loyalty and engagement.

4. Promote Your Book Club

Use online and in-store promotions to spread the word about your book club. Create eye-catching posters and bookmarks, share information on your website and social media platforms, and encourage your staff to discuss the book club with customers. If you start a book club with a C&T book, let us know so we can help promote it, too!

5. Use the Reader's Guides for Engaging Discussions

During the book club meetings, use the Reader Guides to facilitate lively and engaging discussions. The Reader's Guides can be found at the back of the C&T fiction book or on the C&T Publishing website. If you do not see a Reader Guide in either the physical book or website, you can email us at ctinfo@ctpub.com for one. You can prepare additional discussion questions in advance to get the conversation going. Encourage members to share their thoughts, ask questions, and provide a welcoming atmosphere for open dialogue.

6. Build a Community

Beyond the books, focus on building a community of readers. Create a sense of belonging by allowing members to suggest future book selections, create a Facebook Group for the book club, host themed events, or invite local authors for book signings or Q&A sessions. The stronger the sense of community, the more likely your book club will flourish.

How to Grow Sales with the Quilt Builder Card Decks

Start a Block of the Month

Start a Block of the Month (BOM) program by introducing the Quilt Builder Card Deck to your customers. Showcase the 40 unique quilt blocks with cutting information, and eight layout cards for inspiration. Create a layout from the blocks, determine yardage for the entire quilt, create the kits and start selling. Organize a monthly schedule where participants focus on a new card each month. This keeps them engaged and excited about their progress. With each card featuring a different block, your BOM program will continuously offer fresh inspiration and new techniques.

Host In-Store Events

Engage your community by hosting in-store events or workshops. Use the Quilt Builder Card Deck as a focal point and invite participants to bring their completed blocks for show-and-tell. Offer a space for them to work on their blocks together, fostering a sense of camaraderie.

Leverage Group Activities

Use the Quilt Builder Card Deck for group activities such as quilting bees or guild meetings. Distribute different cards to each participant and have them create their assigned block. Collect all the completed blocks and assemble them into a community quilt for display in your shop.

Encourage Customer Creativity

Promote the creative potential of the Quilt Builder Card Deck by encouraging customers to combine different blocks for unique designs. Offer examples of possible two-block or sampler quilts to inspire their own creations.

Offer Exclusive Deals and Rewards

Provide special incentives for Quilt Builder Card Deck users, like discounts on future purchases or exclusive fabric bundles. Recognize and reward customers who complete the program with a special celebration or recognition in your store, like signed photographs on a wall.

Share Success Stories

Showcase completed quilts and participant stories in your shop and on social media. Highlight how the Quilt Builder Card Deck has inspired unique designs and creative projects, motivating others to buy the decks.

Add the Quilt Builder Card Decks to your shop's offerings today and watch your sales grow!

Start the New Year Organized

WITH MUST-HAVE PLANNERS & CREATIVE CLASS IDEAS

KICK OFF THE YEAR WITH A PLANNER

Set the tone for a productive year by offering a range of planners tailored for every crafting niche. Whether it's the Embellished Art Embroidery Project Planner, Quilter's Project Planner, Garment Maker's Project Planner, or Knit & Crochet Project Planner, each planner is designed to help your customers stay organized and inspired.

PLAN A YEAR OF CLASSES

Use the planners to set up a year-long series of classes. Organize workshops that align with each planner's focus, such as quilting techniques, garment creation, or knitting and crocheting projects. This will help your customers stay on track with their projects and discover new skills throughout the year.

DOCUMENT YOUR CREATIVE JOURNEY

Encourage customers to document their crafting progress with our Project Planners. They can track their journey from the initial design to the finished project, capturing every step and making it easier to reflect on their growth and achievements.

HOST A BROWN BAG MYSTERY ANNUAL PROJECT

Spice up the year with a Brown Bag Mystery Project. Each month, participants receive a mystery project kit and use their planners to document their progress. This fun and engaging activity keeps customers excited and invested throughout the year.

TACKLE UFOS WITH MONTHLY GOALS

Help your customers finish their UnFinished Objects (UFOS) by setting monthly goals. With the Quilter's Project Planner, Embellished Art Embroidery Project Planner or Knit & Crochet Project Planner, they can keep track of their UFOS and chart their progress, ensuring those projects are completed.

CREATE A WISH LIST AND BUCKET LIST

Encourage customers to make a wish list of projects they want to start and a bucket list of projects they dream of completing. Our Project Planners are perfect for capturing these aspirations and planning actionable steps to achieve them.

USE DESIGN PAGES TO CAPTURE IDEAS

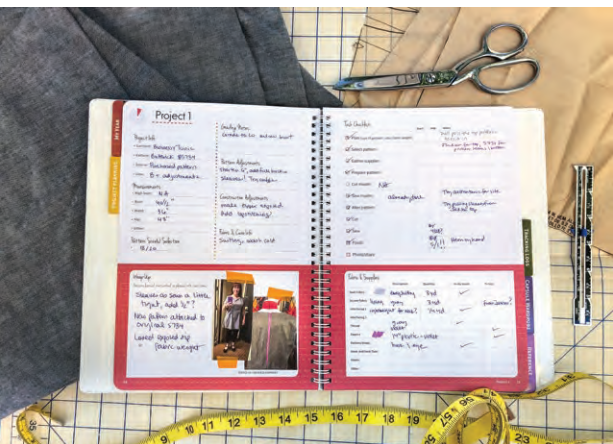

Inspire your customers to explore using the design pages in our Project Planners. These pages allow them to sketch and plan unique, artistic designs, unleashing their creativity.

SET A COLOR CHALLENGE OR MONTHLY SKILL-BUILDING QUILT

Organize a vibrant color challenge or a monthly skill-building project using the Quilter's Project Planner. Whether it's mastering new techniques like curves, Y-seams, or paper piecing or creating a stunning sampler quilt, this planner helps track progress and achievements. Upsell the Essential Color Card Deck to guide participants in color selection, and pair it with the Quilt Genius Design Tool Kit to plan and execute cohesive, dynamic designs all year long.

BUNDLE WITH ESSENTIAL TOOLS

Enhance your planners' value by bundling them with complementary tools. Pair the Quilt Builder Card Deck with the Quilter's Project Planner or offer the Quilt Genius Design Tool Kit alongside any planner to provide a comprehensive set of resources for your customers.

START THE NEW YEAR OFF RIGHT by offering these essential planners and creative class ideas. They will not only help your customers stay organized but also inspire them to dive into new projects and improve their skills!
