

Posy Cone

This simple cone is a perfect place to display a bunch of dried flowers or as simple storage for bobbins and threads. Hessian/burlap is a wonderfully earthy, organic-looking fabric that lends itself to a little ribbon and lace.

Finished size

5½ x 7½in (14 x 19cm)

What you need

10 x 9in (25.5 x 23cm)

hessian/burlap

10 x 9in (25.5 x 23cm)

natural cotton lining fabric

18in (45.75cm) of ½in (1cm) wide ribbon

18in (45.75cm) of ½in (1cm) wide lace

Tweezers (optional)

Button

Template, see page 95

Tip

Why not enlarge the cone to make a display of different sized posies!

- 1 Measure 3in (7.5cm) from the top of your hessian/burlap and gently pull out, one strand at a time, eight strands of thread at a time, eight strands of thread (tweezers may help here). Thread the lace onto a large-eyed needle and weave through the hessian/burlap, going over and under four strands at a time.
